Session 1

Being awesome

TASK: Is there anything holding you back?

Worried you can't do things

Feeling embarrassed

You find it hard to focus

Scared of hard work

Feeling stressed or anxious

Fear of looking foolish

Scared of taking risks

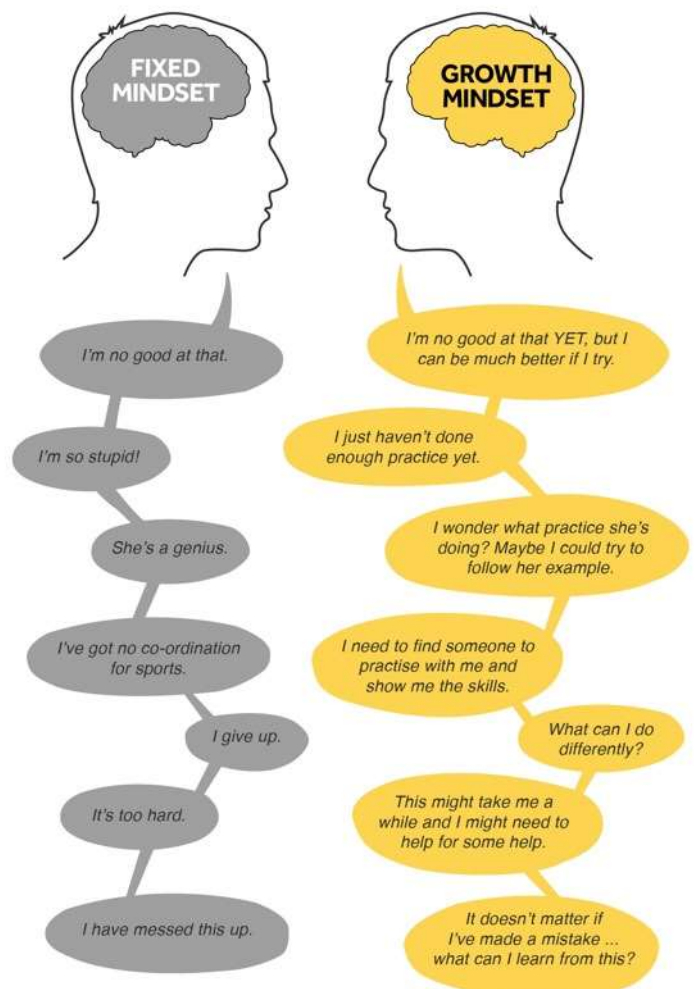

Session 2

Unlocking your mind

TASK:

- Look at these two people, each with a different mindset.

- Which mindset are you and why?
- Does it change depending on different situations in your life?
- Are you someone who thinks that you are just born intelligent?

The Worry Jar

- What are the things you tend to worry about which might stop you from trying something new or hard?
- Write them down on strips of paper (or you can write them down in your booklet).
- Put those strips of paper in a worry jar – any jam jar or a pot will do.
- In a week's time, look at the strips of paper again (maybe with a parent or sibling) and see if the worries still apply.
- Throw away the ones that don't.
- Take a look at the ones that are still worrying you. Is there someone you can talk to about these?

Use this time before Year 7 to have a go at things.

TASK:

- Identify three things that you say you 'can't do'. Write them down.

- 1.
- 2.
- 3.

- Now write each thing down using a growth mindset approach. For example, 'I can't do maths' turns into, 'I am going to practise the things in maths that I can't do yet'.

- 1.
- 2.
- 3.

- Think of something you've always wanted to get better at. Write it down. How could you practise that thing now?

Session 3

Dare to take risks

What are your hopes and dreams for secondary school?

You will be there from when you're 11 to maybe 16 or 18 years old. A lot will change in that time.

Write down your thoughts about the following:

- What do you hope you will achieve?
- What kind of person do you hope you will become?
- Write down three words that you hope people will say about you.

1.

2.

3.

Are you scared of failure?

Everyone will be scared of failure at some point in our lives,
BUT sometimes fear stops us from doing things.

It can stop you from achieving your goals and dreams.

What are you worried about 'failing' in secondary school?

Some Year 6 students say that they are worried about some of the following:

- not making friends
- not being able to do the work
- that they won't know where to go.

Think again about failure.

That is how we learn.

It is how we become determined.

Think of something that didn't go quite as you had expected. What did it teach you?

Jot that down now.

Session 4

Making the change

Before you make a change, it is good to look back as well as look forward. Doing this can help you to see how far you have come! You started primary school when you were just 5 years old – you couldn't read or write back then!

School memories

Name three things that have changed the most about you since you started primary school.

1.

2.

3.

What will you miss most about your old school?

What are you most concerned about in your new school?

New school

Write down three things that you are really excited about doing in secondary school.

Write down three worries you have about secondary school.
Speak to someone you trust about your worries to help you feel better.

Life is a journey...

Build on who are and what you have done in primary school...

Use it as a stepping stone to help you achieve, and enjoy a new school and environment.

What are the things that you have already done at primary school that you would like to build on?
