

St Peter's Weekly Prayer

Friday 3rd March 2017

'To walk hand in hand with God, loving Him, loving each other, loving ourselves, doing the best with the gifts He gave us to make the world a better place.'

Sunday: 1st Sunday of Lent

Reading: Matthew 4:1-11

Jesus goes out into the desert for 40 days and nights

Wilderness God, as we journey into places unknown, remind us of those who have little bread to eat, little clothing to wear, and sometimes no place to lay their heads.

May our prayers, our resources, and our gathering hold all people in our hearts, that we may work towards the mending of creation, and justice in the world. In Jesus' name, Amen.
