

Topic – To be able to design and label a wheeled product

Monday 22nd February 2021

Look around your house and garden. What toys and every day objects can you find with wheels?

Draw them

Talk Task:

*How do you think the wheels move?*

*How do you think the wheels are fixed on?*

*Why do you think the product has this number of wheels?*

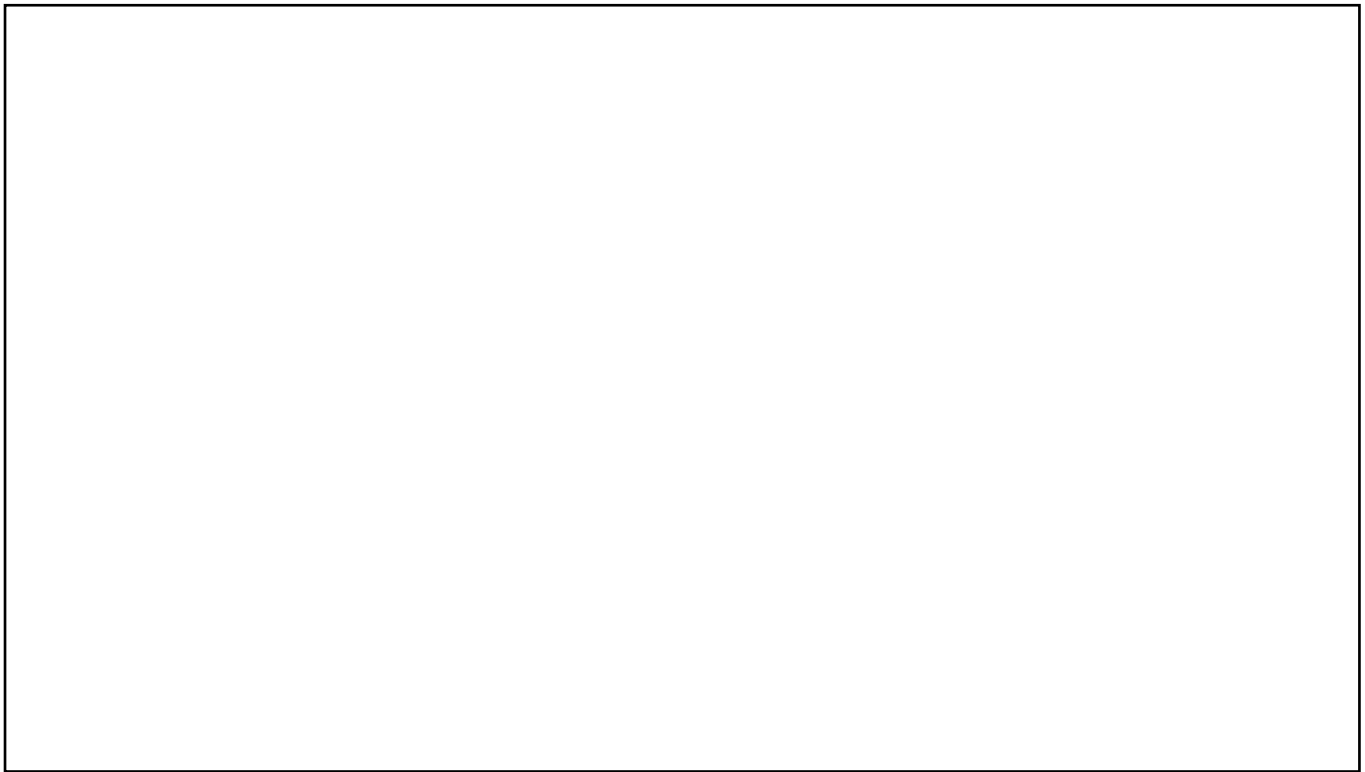

*Why do you think the wheels are round?*

Choose one of the wheeled products.

Make a careful drawing and label these parts:

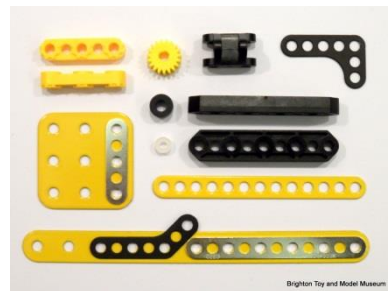

Body      Chassis

Wheel      Axle      Axle holder

*Have a go at making your own wheeled product using a construction toy.*

*You could use some of the ideas below or materials you find in your recycling :*

*Send us a picture of your final wheeled toy.*
