

Analyse

- Could you do some research and come up with your answer to whether you think the Saxons were settlers or meddlers?

Evaluate

- Can you design a Saxon village? What kinds of things would you need to include?
- Can you design a Saxon outfit?

Create

- Can you create a model of a Saxon village?
- Can you create a puppet of a Saxon man or woman?

Apply

- Can you construct a map showing where the Saxons first started settling and where they moved onto?
- Could you create a model to show us the different Saxon kingdoms?
- Can you come up with some questions that you would ask the first Saxon settlers?

Understand

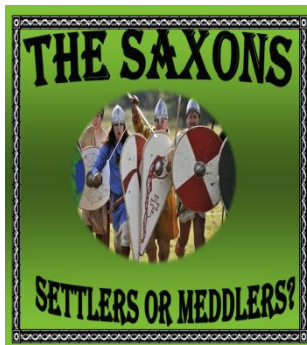

- Can you write a play about the Saxon's first settling in England?
- Paint a picture of what you think is the most important part of the Saxon's settlement.
- Can you write about who you think was the most important person in Saxon times and why?

Remember

- Make a timeline of Saxon settlement up to the reign of King Alfred.
- Write a list of any information that you think is really interesting about the Saxons.
- Make an acrostic poem about SAXONS.

REMEMBER!

How you present your work is very important.
