

Analyse

- What personal qualities do people who help us need to do their jobs?
e.g. brave, patient, gentle, kind

Evaluate

- Would you like to do one of these jobs when you are older? Think about which one you would do.

Create

- Create a healthy meal for a hospital patient. What food do you think will help someone get better?

Apply

- What sort of jobs do people who help us do? Role-play bring a vet or a doctor. Perhaps you could put a bandage on one of your soft toys. Draw pictures/ take photos of your adventures. See if you can write a caption for them in your home learning adventure book.

Understand

- Where do people who help us work? Pop into the local post office or walk/ drive past the local hospital, police station or fire station.
- Find out about people who help us in our local community? Do you know any lifeboat crew members, fire fighters or guide dogs?

Remember

- Find out about different people that help you - postal officers, nurses, doctors, teachers, police officers.
