

## Reception Art Activity

I would like you to make your own animal using a variety of resources.

It can be a drawing, a painting, a collage or a sculpture.

Be as creative as you like... maybe you could even challenge yourself to designing and making a new animal. It could have the face of a rabbit and the body of a cow! You could also make up a new name for it and write down where it would live!

Remember to upload your creations to Tapestry and then it will be put onto the school art blog to be seen by all.

Here are some ideas to inspire you!
