

Hello,

It's Mrs Pearson here! Many of you know me as your teacher on a Friday, if you are a Seahorse, or when I cover for Mrs Conlon when she is at a meeting, if you are a Starfish. What you may not know is that I also teach Art to all the children in the school from Year 1 right up to the oldest children in Year 6.

I will be setting some Art challenges for you to do with a grown-up, over the next few weeks. I hope you will enjoy doing them as much as I will enjoy seeing the end results. Every piece of work sent to me will be shared on the Art Blog. If you haven't seen the Blog yet why not have a look to see what the other children in the school are doing.

Anyway here is your first Art challenge. Please send me a photo of your finished 'Work of Art'. My email address is:

n.pearson@stpeterswaterlooville.hants.sch.uk

Reception Art Activity

Your Challenge

I would like you to make your own Alien, using 2D or 3D shapes. It can be a drawing, a painting a collage or a sculpture.

You can draw around 2D shapes that you find in your house, or cover a old tin can or food box to make a 3D Alien....Be careful that there are no sharp edges!

Here are some ideas to inspire you!

3D Shapes

If you prefer, you can make your Alien using your handprint.

Please then send a picture of it to me using my email:

n.pearson@stpeterswaterlooville.hants.sch.uk

I can't wait to see your AMAZING ALIENS!
